

Wash your hands of coronavirus scams!

Friends Against Scams aims to protect and prevent people from becoming victims of scams.

Be aware of people offering or selling:

- Virus testing kits - these are only offered by NHS.
- Vaccines or miracle cures - there is currently no vaccine or cure.
- Overpriced or fake goods to protect yourself from coronavirus such as anti-bacterial products.
- Shopping or medication collection services.
- Home cleaning services.

Protect yourself and others:

- Don't be rushed into making a decision. If it sounds too good to be true it probably is.
- Only purchase goods from legitimate retailers and take a moment to think before parting with money or personal information.
- Don't assume everyone is genuine. It's okay to reject, refuse or ignore any requests. Only criminals will try to rush or panic you.
- If someone claims to represent a charity, ask them for ID. Be suspicious of requests for money up front. If someone attempts to pressurise you into accepting a service they are unlikely to be genuine. Check with family and friends before accepting offers of help if you are unsure.
